

Application for compassionate release, pursuant to 18 U.S.C. Section 3582 is denied. Mr. Harrell has not met his burden of showing extraordinary and compelling circumstances related to the pandemic, as he does not suffer from any of the high risk medical conditions that would place him in a special category of danger. Moreover, consideration of Section 3553(a) factors cuts against release, given Mr. Harrell's disregard for the law as evidenced by his supervised release violations. The Government is to mail this to Mr. Harrell and certify that this was done in a filing by 1/29/21

So Ordered

To the Honorable Judge Karas I'm Writing you respectfully requesting a (Rule 3528 Compassionate release) from Brooklyn's Metropolitan Detention Center. November 4th I wrote a BPG to Warden Tellez of this facility, its now December 30th and I've yet to receive a response or acknowledgment. I'm currently serving 4 months (120 Days) Supervised release violation, and each day Covid-19 cases are rising. 68 inmates on my floor along with 11 inmates in my unit have recently tested positive with Covid-19. I have 70% of my Supervised release violation complete as of today December 30th and I've begun my sentence October 9th. I've been on 23hr per day lockdown since 10-9-20 and I have no disciplinary infractions. I'm a Father of Three Girls who I have custody of ages 9, 3 and 2 and I'm afraid further incarceration under these circumstances are keeping me high risk of catching Covid-19. Thank you Honorable Judge Karas for reading my request.
